

ASSEMBLYMEMBER BETSY BUTLER
53RD DISTRICT
CALIFORNIA LEGISLATURE

Printed on Recycled Paper

Dear Vic:

Congratulations on your purchase of the first hydrogen trucks by Vision Industries. Vision Industries is a progressive company whose innovation is moving the trucking industry forward. I am so happy to know they are focused on leading us forward on a clear path to success.

I applaud your commitment to supporting clean air by integrating green vehicles into your fleet.

Please let me know if there are any ways I can assist the continued development and implementation of new, sustainable opportunities.

Sincerely,

Betsy
