Dear Vic La Rosa:

On July 26, 2011, the Clean Truck Coalition, LLC (CTC) received a Clean Air Action Plan (CAAP) Air Quality Award for "Air Quality Improvement Leadership at the Corporate Level." CTC was one of seven recipients of the Fourth Annual San Pedro Bay Ports Clean Air Action Plan Air Quality Awards. Each of the members of CTC has demonstrated a commitment to improving air quality and is receiving an individual award.

We congratulate you and your organization for your leadership in reducing air quality impacts from port-related operations. The CAAP Clean Air Excellence Awards Program is an annual program and we look forward to your future participation.

Sincerely,

GERALDINE KNATZ, Ph.D.
